

GP advice

Whenever and wherever you need it 24/7

We've all been there, when you need advice from your GP but either can't get an appointment or haven't got time to visit the surgery due to other commitments.

We have a solution

With your Simplyhealth plan you and anyone in your household have 24/7 access to speak to a GP so there's no need to wait, just give them a call anytime.

1

Call the GP helpline, **0300 100 1206**. A specially trained operator will ask you some high level questions about your situation, then they'll book a time slot with a GP.

2

Your GP will call you within 15 minutes of your appointed time. Plus, if they feel medication is appropriate they can issue you a private prescription.

Controlled medication cannot be prescribed

3

You can choose for your private prescription to be delivered to your home or work address.

Peace of Mind

With this service, the GP can email your notes to your GP surgery - to keep it all in one place.

Or if you'd rather show the GP your symptoms you can use the Webcam a GP service.

Available Monday to Friday 8am to 10pm, Saturdays 8am to 8pm, Sundays 10am to 6pm.
